SCARPONI G., BARBANTE C. and CESCONE P. (1994): Recenti variazioni del contenuto di piombo nelle nevi antartiche in relazione a processi di antropizzazione.

P.N.R.A. 3rd Meeting on Environmental Impact Chemical Methodologies, Venezia (Italy), March 10-11. Extended abstracts, pp. 127-133.

SCARPONI G., CAPODAGLIO G., TOSCANO G., BARBANTE C. and CESCONE P. (1994): Evoluzione stagionale di profili di concentrazione di metalli pesanti in acqua di mare costiera antartica.

P.N.R.A. 3rd Meeting on Environmental Impact Chemical Methodologies, Venezia (Italy), March 10-11. Extended abstracts, pp. 134-140.

SCARPONI G., BARBANTE C., TURETTA C. and CESCONE P. (1994): Recent decrease of lead content in Antarctic snow

Meeting of the "Progetto di Ricerca Glaciologia e Paleoclima", ENEA CRE Casaccia, Rome (Italy), June 21-22. Book of Abstracts, 1p.

TRIULZI C., NONNIS MARZANO F., CASOLI A., MORI A. and VAGHI M. (1994): Isotopi radioattivi e stabili in matrici abiotiche e biotiche di ecosistemi antartici circostanti la base italiana.

P.N.R.A. 3rd Meeting on Environmental Impact Chemical Methodologies, Venezia (Italy), March 10-11. Extended abstracts, pp. 66-72.

UDISTI R., BARBOLANI E., BECAGLI S. and PICCARDI G. (1994): Chemical data series in shallow firn core from Northern Victoria Land (Antarctica).

Meeting of the "Progetto di Ricerca Glaciologia e Paleoclima", ENEA CRE Casaccia, Rome (Italy), June 21-22. Book of Abstracts, 1p.

ZOCOLILLO L., AMENDOLA L. and TARALLO G.A. (1994): Idrocarburi clorurati in acque interne dell'Antartide. Recenti risultati e valutazione complessiva dei dati ottenuti nelle diverse campagne.

P.N.R.A. 3rd Meeting on Environmental Impact Chemical Methodologies, Venezia (Italy), March 10-11. Extended abstracts, pp. 56-60.

Attività editoriale

(1994)

BRUNER F., Guest Ed. (1994): Environmental analytical chemistry in the Antarctica.

Proceedings of the 2nd Meeting on Environmental Impact - Chemical Methodologies, Venezia (Italy), May 26-28, 1992.

Intern. J. Environ. Anal. Chem., 55(1-4), 340p.

Tesi di laurea e di dottorato di ricerca

(1993)

NONNIS MARZANO F. (1993): Presenza e distribuzione di radionuclidi artificiali e naturali nell'ecosistema marino di Baia Terra Nova (Mare di Ross) in Antartide.

Dottorato di Ricerca in Scienze Ambientali, Università degli Studi di Parma, 110p.

Relatore: Prof. C. Triulzi

BIOLOGIA UMANA E MEDICINA

Articoli su riviste non citate sullo "SCI - Journal Citation Report" 1993

(1992)

PILLON S., ANTIGNANI P.L., TODINI R.A. and BARTOLO M. (1992): La teletermografia ad alta risoluzione nello studio del circolo arterioso della mano: comparazione con i rilievi angiografici.
Minerva Angiol., 17 (Suppl. 3 to No. 2): 102.

PILLON S., ANTIGNANI P.L., ALESSIO L. and BARTOLO M. (1992): Studio sulle capacità di adattamento al freddo del sistema vascolare durante la campagna italiana in Antartide.
Minerva Angiol., 17 (Suppl. 3 to No. 2): 213.

Atti di congressi e volumi monotematici

(1994)

RAVAGNAN G. (1994): Esperienze della telemedicina e possibilità di applicazione dei risultati in larga scala.
Seminar "Il ruolo delle aree remote nello studio dei cambiamenti globali", CNR Commissione Scientifica Polare, Roma (Italy), March 23, 1993.
Ambiente Antartide, Special issue, pp. 93-94.
